- ❖ **MOTIVATE!**
- ❖ Provide team members with pledge sheets, explain event.
- ❖ Set a team fundraising goal, aim high! Have team members set their individual goal to help everyone achieve the team goal. We suggest \$400/\$500 per team but some of our top teams raise over \$1,000!
- ❖ Create excitement about raising donations to help kids in the greater Brunswick area.
- ❖ Answer questions that team members have, reach out to BBBS staff for support.

- ❖ Check in with team members regularly to see how their fundraising is going. Communicate your team's successes (Katie just got a \$50 donation! Joel has already exceeded his fundraising goal of \$200! Our team has just surpassed the \$400 mark!)
- ❖ Consider a team fundraiser to build excitement and help members reach their commitment.
- ❖ Create a fun name, dress up with the event theme and have fun, fun, fun!
- ❖ Say **THANK YOU!** Thank your team members regularly and thank the people who donate to you.
- ❖ Share our website: [www.bbbsbathbrunswick.org](http://www.bbbsbathbrunswick.org) with your friends and connect with us on **Facebook** – share our posts on your personal page and ask others to get involved!!

### What is Big Brothers Big Sisters?

For over 100 years Big Brothers Big Sisters has operated under the belief that inherent in every child is the ability to succeed and thrive in life. As the nation's oldest, largest and most effective donor and volunteer supported mentoring network, Big Brothers Big Sisters makes meaningful, monitored matches between adult volunteers, "Bigs," and children, "Littles," in communities across the country. We develop positive relationships that have a direct and lasting effect on the lives of young people. Big Brothers Big Sisters of Bath/Brunswick has been serving youth since 1981. The children served by Big Brothers Big Sisters are among our community's most vulnerable, often living in a single-parent household, growing up in poverty, coping with parental incarceration and academic or social challenges.

Big Brothers Big Sisters mentoring is proven to help children overcome the challenges of poverty, poor school performance and low self-esteem. A 2009 Harris Interactive study found that adults mentored as children through the BBBS program are more likely than peers with similar backgrounds but who were not involved in the program to have a four-year college degree and maintain higher incomes. BBBS alumni have reported that having a "Big" in their lives positively influenced their self-confidence, provided stability and changed their perspectives on life, pushing them to set higher goals and make better decisions.

### What is Bowl For Kids' Sake?

Bowl For Kids' Sake is Big Brothers Big Sisters' signature fundraiser. Each year half a million people across America come together to have fun and raise money to support BBBS as we change how children grow up! Bowl For Kids' Sake is the perfect way for individuals to make an impact on our community- it only takes a little bit of effort to raise the money that is vital to our program's success. As a "thank you" for your support and enthusiasm, BBBS host a celebratory bowling party. No bowling expertise is required, only the willingness to share in our heartfelt and sincere thanks for helping us change children's lives.

### Where does the money go?

Thanks to our corporate sponsors, 100% of **your** donation goes directly to help serve local children. Big Brothers Big Sisters depends on donations to conduct background and reference checks on volunteers to ensure child safety; and provide ongoing support for every child, family and volunteer in our program to build and sustain long-lasting relationships. It costs approximately \$1,000 to support each Big and Little match for one year. The importance of your fundraising role in this effort to help local children cannot be overstated!
